

Job Profile

Position Details	
Post	Public Health Strategist and Improvement Lead
Service Area	Chief Executive, Public Health, ADPH London
Reports to	Programme Manager
Grade	PO6
Job Family	To be completed by HR

Role Purpose
<ol style="list-style-type: none"> 1. To support the development and delivery of collaborative public health projects between London boroughs, utilising professional public health skills and knowledge 2. To support, challenge and shape the collaborative improvement agenda for London DsPH, drawing on learning from public health and wider local government improvement agenda, locally, regionally and nationally 3. To manage a range of cross-borough support and improvement work, concurrently 4. To ensure widespread engagement from boroughs and their partners across London, in order to develop buy-in and ownership.

Main Responsibilities
<p>Service improvement</p> <ol style="list-style-type: none"> 1. To support and influence the improvement agenda for London DsPH, drawing on knowledge of local, regional, and national public health and/or local government 2. To develop and maintain a working knowledge of best practice across the spectrum of local government public health responsibilities, both in London and across the UK 3. To maintain a working knowledge of public health outcomes and performance in London boroughs using a range of sources 4. Working with DsPH, to identify priority areas for review and improvement, using agreed prioritisation methods 5. To undertake robust analyses of data (financial, qualitative, quantitative) to identify performance issues, data challenges, strengths and weaknesses, ideas and requirements for improvement. 6. To create and develop bespoke self-assessment and peer-review tools, guidance, training and supporting materials, which provide local authorities with a robust evidence base to assess performance against key priorities and public health outcomes 7. To organise and manage the business of any task and finish groups, review panels and/or improvement workshops, coordinating and monitoring actions to drive improvements in public health outcomes. 8. With DsPH and Assistant Directors, to facilitate meetings and workshops to challenge performance, and to champion change and improvement by identifying and sharing good and innovative practice 9. With lead DsPH for sector led improvement, to identify and broker a package of support for any

London borough identified in need of additional support.

10. To support the continued development of the ADPH London ways of working, including for sector led improvement and partnership initiatives. This may involve leading on the regular review and evaluation of methodologies or approaches, or where necessary commissioning independent research and/or evaluation expertise.

Public health policy, performance and strategy

11. To be the lead public health support to the delivery of identified key projects and strategic initiatives on behalf of the DsPH. Credibility will be important.
12. To contribute public health expertise to the development, and implementation of specific projects within the ADPH London work programme. For example, undertaking or commissioning Public Health analysis or literature reviews.
13. To assess future policy and legislative developments, providing advice on the implications for London Directors of Public Health including working through implementation arrangements.
14. To support and influence the coordination of public health policy, strategy and research at a London regional level, as directed by DsPH
15. To identify and commission external work where required and agreed, to support project outcomes

Project management

16. To manage a selected number of projects and pieces of work within the ADPH London programme simultaneously, ensuring planning, organising and prioritising workload to meet project deadlines.
17. Ensure appropriate governance arrangements are in place for all projects, to ensure quality and safety and best value. To include clinical governance considerations where required.
18. To apply project management tools, methodologies and best practice to ensure that high standards are achieved across all areas of work, deadlines are met and desired outcomes achieved.
19. To keep project information up to date, e.g. project plans, schedules, budget, risks and issues logs, communications plans
20. To report project status, risks and issues in accordance with agreed reporting schedules.
21. To work with other leads and partner agencies to co-ordinate planning and action on cross-cutting work.

Communication and partnership working

22. To engage and liaise with Directors of Public Health, their leadership teams and other senior colleagues from across the London region to ensure widespread engagement in the programme
23. To identify and engage with project participants; to facilitate the development of teams to deliver projects where appropriate; and to shape proposals to deliver the outcomes required.
24. To prepare and present updates on the programme activity and to ensure wide-scale buy in, from a range of senior stakeholder groups
25. To present high quality reports in a variety of written, verbal and presentational formats designed to meet a range of purposes and accessible to a variety of audiences including clinicians and elected Members
26. To develop communities of interest, and ensure information is disseminated effectively and actively used by London public health teams.

- 27. To ensure that key strategic partners are effectively engaged in and contribute to projects.
- 28. To develop effective working relationships with London Councils, Public Health England (London), NHSE (London), London CCGS, ADPH UK and other strategic partners and networks.
- 29. To represent ADPH London and contribute to national programmes as appropriate
- 30. Any other duties associated with the core purpose of the role

Generic Responsibilities
<ul style="list-style-type: none"> 1. Understanding, knowledge and ability to follow guidelines that ensures compliance with Health and Safety at Work, Data Protection and other statutory requirements. 2. Understanding and commitment to promoting and implementing the Council's Equal Opportunities policies. 3. Knowledge and experience of using IT. 4. To undertake any other temporary responsibilities aligned with the overall purpose and grade of the role.
