Post	Parks Project Officer
Service Area	Commercial and Operations/Commissioning and Client/Public Realm/Parks and Open Spaces
Reports to	Parks Development Manager
Grade	PO2
Job Family	To be completed by HR

Role Purpose
<ol style="list-style-type: none"> 1. To take responsibility for the development and delivery of allocated projects in accordance with robust project planning procedures, procurement rules, health and safety regulations and the councils financial and contract standing orders. 2. To ensure that all projects are developed in conjunction with internal colleagues, residents and partners and take on board their views in developing final proposal for each project. 3. To be responsible for the development of all necessary project documentation from initial scoping documents through to lesson learnt logs and benefit realisations reports. 4. To bid for and secure funding from a range of sources, both internal and external, in order to take projects forward in line with agreed plans. 5. To support the Park Development Manager in the development and ongoing management of an improvement programme that enables all Haringey residents to have access to vibrant inclusive green spaces.

Main Responsibilities
<ol style="list-style-type: none"> 1. To use project management processes for the scoping, approval and delivery of projects that support the delivery of the Service Business Plan and Corporate Plan 2. To manage and be accountable to funders, including both the Council and external funders, for budgets and all other allocated resources in order to achieve maximum effectiveness and value for money. 3. Responsible for checking and approving requests received from contractors for payment, against work carried out and agreed contract rates 4. To develop, actively manage and regularly review timetables for project delivery 5. To recruit and coordinate project teams including appropriate professional, technical and support staff to ensure that projects are delivered effectively and in line with agreed objectives. 6. To assist the Park Development Manager in the development and implementation of a range of business/service plans.

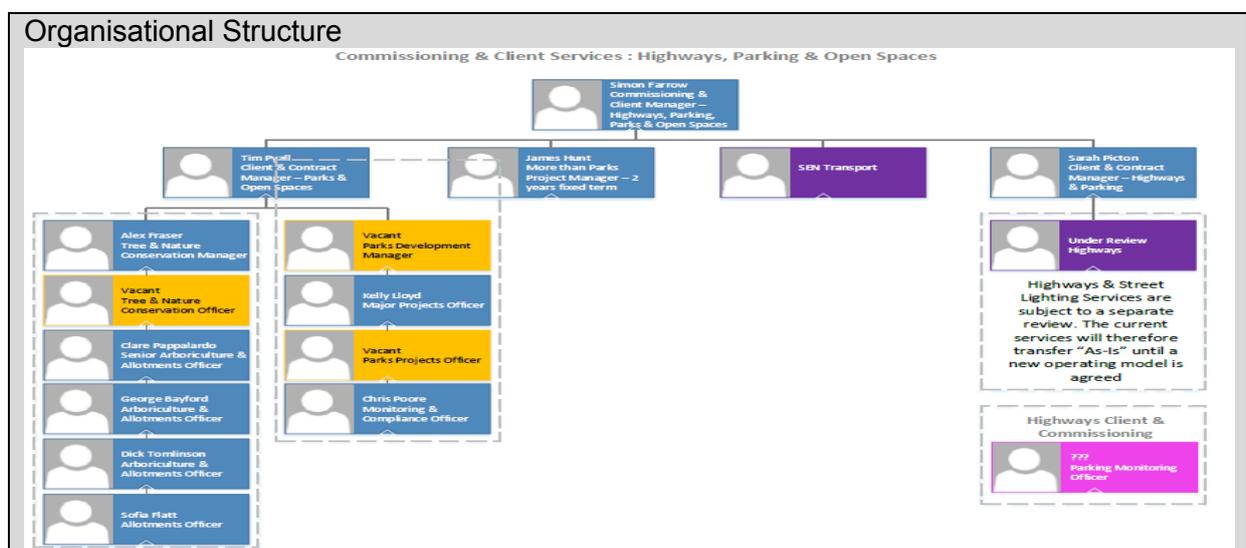

7. To work with other Council services, partners, stakeholders and funders to ensure that projects meet resident, Council, stakeholder and funder objectives.
8. To actively identify and manage risk throughout the life of projects.
9. To be proactive in dealing with incidents, occurrences, hazards, defects etc which may compromise the health and safety or interfere with users of the parks and open spaces.
10. To develop, maintain and review procedures and working methods and ensure that these are integrated with Council systems and are effective and efficient.
11. To identify, monitor, review and report on relevant KPI's and other performance information as required.
12. To prepare reports for Members, senior officers, external funders, partners and others as required.
13. To communicate project progress and manage communications and PR for the project ensuring the provision of timely and relevant information in line with the project communications plan.
14. To actively engage with customers, ensuring that their feedback and needs are reflected in how services are delivered.
15. Investigate, analyse and respond to customer complaints, Members and MP enquiries and take appropriate action to address any procedural and operational deficiencies and ensure that lessons learned are reflected appropriately.
16. To develop constructive relationships and effective communications with key people, both inside and outside the Council, that are crucial to the success of the Business Unit including colleagues, contractors, Councillors, partners and the public.
17. To assist and attend meetings with other council services, corporate groups and working parties, the public, voluntary and community organizations and relevant outside bodies and statutory agencies.
18. Responsible for capital and revenue budget management to include: profiling, regular monitoring, taking corrective action; effective procurement and achieving savings. Budget management should be undertaken in accordance with Council policy and procedures and any specific conditions associated with the project budget.
19. Working collaboratively with Commissioning and Client colleagues to research, identify and evaluate new initiatives, operating models or good practice, and secure continuous improvement in service delivery and/or a reduction in unit costs.
20. To organise the collection and reporting of performance information, contract monitoring results and customer feedback in line with council procedures and standards.
21. To prepare reports and briefings on service related matters, attend meetings and advise the Councils' Senior Officers and Members.
22. Promote a 'one Haringey' approach.
23. Ensure full compliance across your service area with appropriate legislation, Council Policies, standing orders, financial regulations and other governance requirements.

Generic Responsibilities
<ol style="list-style-type: none"> 1. Understanding, knowledge and ability to follow guidelines that ensures compliance with Health and Safety at Work, Data Protection and other statutory requirements. 2.
