| Grade            | PO4   |
| Job Family       | To be completed by HR                       |

| Role Purpose  |
|---|
| <ol style="list-style-type: none"> <li>1. Provide high quality business management to the ADPH London Team.</li> <li>2. Provide high quality management of projects, business, communications and membership engagement activity.</li> <li>3. Management and supervision of the Programme Support Officer.</li> </ol> |

| Main Responsibilities   |
|---|
| <p><b>Business management &amp; development</b></p> <ul style="list-style-type: none"> <li>• Responsible for the overall business management and administration of the ADPH London programme office.</li> <li>• Map and oversee maintenance of effective processes, templates, and guidance to support the smooth running of the programme, including the policy and consultation tracker.</li> <li>• Collation and maintenance of the overall team business plan, tracking key milestones and identifying emerging issues in collaboration with the team.</li> <li>• Champion and support the team in its use of technology to provide efficient and effective working, information sharing, recording and reporting.</li> <li>• Responsible for the monitoring of the core budget and overseeing all administrative finance support, such as reconciliations, raising POs, payment of invoices, etc.</li> <li>• Liaison and engagement with key officers within the host organisation (Haringey Council) that support the team's core business operations e.g. Finance, IT, HR.</li> </ul> <p><b>Membership support &amp; engagement</b></p> <ul style="list-style-type: none"> <li>• Manage and coordinate membership induction and leaver processes and resources.</li> <li>• Provide a high quality and professional support service to the network of Directors and senior public health professionals. For example responding to or overseeing responses to queries, collating information.</li> <li>• Proactively promote the business objectives of the organisation, whilst working within a complex environment of competing demands and busy workloads.</li> <li>• Manage a system of regional leadership roles including network elections where necessary - ensuring the lead roles are filled and clearly defined, that handovers and inductions take place, working with leads to review progress and ensure they feel supported, records are maintained.</li> <li>• Manage and coordinate a high-quality programme of events for Directors and teams.</li> </ul> |

- Manage governance documentation and processes including the network's terms of reference and declarations of interest

### **Project management & development**

- Ensure that the team utilises best practice in all aspects of project management, through providing hands on support to colleagues on the development of project documentation and processes.
- Project manage ad-hoc work and events.
- Develop and maintain a programme risk register.
- Facilitate good practice sharing and lessons learned between workstreams, and evaluation processes.
- Develop, maintain and update project plans, such as Gantt Charts and resource allocations.
- Manage the implementation of a programme of events, workshops, including evaluation, and ensuring outputs and feedback are captured and inform future work.

### **Communications & partnership**

- Proactive communications and engagement with the ADPH London network of Directors, Assistant Directors and public health professionals.
- Manage the development and delivery of the programme communications plan.
- Maintain and develop the website and social media accounts – both in directly creating content and in facilitating the wider team to create content.
- Produce and edit materials promoting the purpose and activities of the network.
- Coordinate communications to members and stakeholders.
- Work with other leads and partner agencies to co-ordinate planning and action on cross-cutting work.

### **Other**

- Line management of the Programme Support Officer.
- Contribute to the development of meeting agendas, despatch of papers, minute taking and following up on actions.
- Ad-hoc research and analysis e.g. gathering practice, approaches, for sharing.
- Undertake surveys and other research across the membership as required to ensure membership input and ownership of outputs.

### **Generic Responsibilities**

1. Understanding, knowledge and ability to follow guidelines that ensures compliance with Health and Safety at Work, Data Protection and other statutory requirements.
2. Understanding and commitment to promoting and implementing the Council's Equal Opportunities policies.
3. Knowledge and experience of using IT.
4. To undertake any other temporary responsibilities aligned with the overall purpose and grade of the role.
