

Job Profile

Position Details	
Post	Regeneration Officer
Service Area	Housing, Regeneration & Planning / Regeneration / Area Regeneration
Reports to	Regeneration Manager
Grade	PO4 – PO6

Role Purpose
<ol style="list-style-type: none"> 1. To lead on the conception, implementation, project management and reporting, and successful delivery of regeneration projects in Tottenham as part of the Tottenham Regeneration Programme, in line with the Council's growth objective. 2. To use best practice project management to achieve efficient and effective delivery of regeneration projects including budget monitoring, project review, project evaluation, communication and stakeholder engagement. 3. To support the Regeneration Manager to develop and manage working relationships with stakeholders, development partners, and residents to provide a high quality, proactive, and solution-focused approach to achieving regeneration outcomes.

Main Responsibilities
<p>All levels: PO4-PO6</p> <ol style="list-style-type: none"> 1. Lead on the delivery of the projects in the Tottenham Regeneration Strategic Regeneration Framework Delivery Plan, working to one of the four Area Regeneration Managers or Principal Regeneration Officer. 2. Work in multi-disciplinary teams tasked with the delivery of regeneration projects and take responsibility for the organisation, coordination, supervision and reporting of projects to deliver successful results on time, within budget and to agreed outputs and outcomes. 3. Identify and bid for internal and external funding sources to assist with the delivery of regeneration projects. Prepare funding applications, monitoring reports/returns and appraisals on behalf of the Council. 4. Work in partnership with a wide range of stakeholders to identify and develop regeneration opportunities throughout Tottenham and to lead on and achieve effective internal and external stakeholder liaison and engagement in regeneration projects and programmes. Maintain successful relationships with key stakeholders and partners

including senior council officers, Members, community and voluntary groups, GLA, TfL, developers, statutory bodies.

5. Manage multi-disciplinary projects including consultation, programming, planning and co-ordination.
6. Commission studies and appoint and manage technical consultants and other advisers required from time to time, including instructing solicitors and assist in the execution of the strategic development priorities identified in the Council's Programme.
7. Apply a rigorous financial management and business planning approach to project management ensuring strict cost/time management against budgets.
8. Ensure that project risks and issues are identified, assessed, effectively managed, reviewed, recorded and reported on a regular basis.
9. Deputise for the Head of Area Regeneration and Principal Regeneration Officer, as required or directed.
10. Prepare effective reports and briefings, demonstrating excellent verbal and written communication and negotiation skills, tailored to the audience and focussed on the successful delivery of projects.

Additionally at PO5

11. Establish, lead and work in multi-disciplinary teams tasked with the delivery of regeneration projects and take responsibility for the organisation, coordination, supervision and reporting of projects to deliver successful results on time, within budget and to agreed outputs and outcomes.
12. Ensure regeneration issues are adequately addressed in strategy/policy documents produced by other directorates and external stakeholders.
13. Unlock and deliver regeneration opportunities using a range of mechanisms including site development/appraisal process, public realm schemes, economic development programmes and where applicable estate regeneration.
14. Manage large, multi-disciplinary projects including consultation, programming, planning and co-ordination.
15. Develop service level agreements with service providers and partner agencies as required and ensure effective monitoring of contracts.
16. Deputise for the Head of Area Regeneration across the full range of service responsibilities, as required or directed.
17. Manage graduate trainee or other junior project officer or equivalent staff that may be based within the team

Additionally at PO6

18. Manage complex projects and programmes with limited oversight from the Head of Area Regeneration, driving the delivery of the key elements of the regeneration programme.
19. Take overall responsibility for the successful delivery of grant funded programmes.
20. Responsible for motivating a project team, identifying tension and conflict between individuals and/or groups and taking steps to find a resolution.
21. Identify, analyse and develop responses to commercial risks.
22. Monitor the financial viability of schemes / projects and provide financial input to colleagues, engaging external consultants if appropriate.
23. Proactively search out sites for urban regeneration, targeting derelict or underused land, and develop action plans and master plans for these sites and areas from a regeneration perspective.
24. To use own initiative to develop and deliver innovative solutions to secure regeneration.
25. Act as advocate for the Council and its policies in local, sub-regional, regional and national strategic partnerships.
26. Seek joint ventures / joint working with other public sector organisations and agencies, including working with neighbouring authorities to ensure integrated regeneration investment.
27. Negotiate with developers on behalf of the council to achieve desired objectives including driving hard commercial negotiations to ensure that the public purse is protected.
28. Be recognised as an expert by other senior professionals and called on by others for advice, support and guidance.

Generic Responsibilities

Corporate Responsibilities

1. Promote a 'one organisation' approach.
2. Promote equality among all staff, and ensure that services are delivered in a non discriminatory way, that is inclusive of disadvantaged groups.
3. Ensure compliance with appropriate legislation, Council policies, standing orders, financial regulations and other requirements of the Council.
4. Represent the service / team at internal and external meetings.

Service

1. Put forward new and innovative ways of delivering services that provide high quality and good value for money.
2. Implement consistently high quality service standards and levels of customer service and monitor performance using the Council's project management approach.

People

1. Work collaboratively and make sure that this supports the delivery of specific projects and corporate programmes.
2. Establish clarity around expected outcomes and standards, providing clear lines of accountability and delegated authority.
3. Take responsibility for continuing self development and participate in training and development activities.

Resources

1. Monitor the budget for projects, ensuring it is effectively controlled within limits, driving down spend where appropriate.
2. Hold staff/contractors/consultants to account to provide services that are delivered or procured that represent value for money.

Other Duties and Responsibilities

1. Understanding, knowledge and ability to follow guidelines that ensures compliance with Health and Safety at Work, Data Protection and other statutory requirements.
2. Understanding and commitment to promoting and implementing the Council's Equal Opportunities policies.
3. Knowledge and experience of using IT.
4. To undertake any other temporary responsibilities aligned with the overall purpose and grade of the role.

Criteria for Progression

The purpose of the career grading for the post is to enable the post holder to develop their career by building on their skills, experience and abilities as well as help the Council improve its internal capacity in project and programme management.

The post holder will be appointed at a level that is agreed prior to starting in the post based on the proven skills, abilities and experience the post holder has demonstrated at the time of the appointment.

Progression to PO5 and PO6 is not automatic and will be based on the post holder being able to demonstrate that they have been or are able to perform the additional duties in full and consistently. Progression will always be subject to the availability of funding.

Progression will be considered as part the post holders appraisal (My Conversation) and will be considered at least annually.

Progression through the spinal points within the agreed grade will be as set out in the Council terms and conditions.
