Post	Environmental Health Officer
Service Area	Chief operating Commercial & operations Community Safety & Enforcement Service Housing Improvement Team
Reports to	Lynn Sellar
Grade	PO2
Job Family	To be completed by HR

Role Purpose
To provide an efficient, high quality housing standards service that reacts quickly to complaints about disrepair and housing-related nuisance in private sector housing, assesses the nature, extent and urgency of the problem, and makes effective use of advice, financial assistance, risk based interventions, licensing and enforcement action to improve housing conditions and ensure that all homes in the private sector are safe and habitable.

Main Responsibilities
<ol style="list-style-type: none"> 1. In accordance with The Housing Act 2004, using the licensing process and procedures, respond promptly to complaints about poor conditions and through investigation, evaluate risks, hazards and determine the nature cause remedy and urgency of problems. 2. Work collaboratively with the owners and managers of licensable HMOs to ensure that their properties are licensed, well managed, maintained in a safe and habitable condition, and meet the amenity standards. 3. Make effective use of advice, risk based interventions, licensing and enforcement action to improve housing conditions, eliminate or reduce hazards and ensure that all homes in the private sector are safe, habitable and, if required, licensed. 4. Undertake a range of activities (including property inspections, HHSRS assessments, the drafting of schedules of work, the preparation and serving of notices, enforcement action and works in default), ensuring that all follow-up action is progressed and monitored in a timely and appropriate manner. 5. Develop and maintain close working relations with Council services and a wide range of other stakeholders, in order to facilitate the flow of information, encourage joint working and co-operation, achieve the prompt resolution of complex problems, and ensure that, even where an input is required from a number of teams, service delivery is well co-ordinated and the service user is kept fully informed of developments. 6. Undertake a range of enforcement duties, as an Authorised Officer of the Council, such as obtaining 'warrants of entry' inspecting and assessing the condition of properties, producing written schedules of property condition and the works required under the Housing Acts, drafting witness statements, analysing legal and financial procedures and, where appropriate,

preparing and executing cases requiring prosecution.

7. Ensure that the Private Sector Housing Improvement Service is culturally sensitive, challenges discrimination and is delivered in a manner that is welcoming and accessible to vulnerable adults, people whose first language is not English, and people who have a disability, a learning difficulty or find it difficult to read or write.
8. Meet regularly with a Senior Environmental Health Officer to review casework, in order to ensure a consistently high standard of work and customer care, an equitable distribution of the workload, and the effective monitoring of performance and outputs.
9. Maintain a good understanding and awareness of Haringey's policies and procedures for safeguarding children, vulnerable adults and people affected by domestic violence, and alert Children's Services and/or Adult Social Care where it is suspected that a child or vulnerable adult might be being abused, neglected or harmed, or that a child is residing with a perpetrator of domestic violence.
10. Ensure that all service requests are fully investigated and dealt with appropriately in accordance with the Council's policies, procedures and service standards.
11. Work collaboratively with Senior Environmental Health Officer to ensure that all notices are written, served and enforced in a correct and timely manner, and that the process for executing works in default operates in a way that ensures that nuisance and disrepair are properly addressed and the Council is able to recover the cost of the works.
12. Contribute to the development and implementation of new working practices and initiatives that increase landlord compliance with HMO licensing, reduce the Council's use of temporary accommodation and assist the implementation of Haringey's housing strategy and homelessness strategy.
13. Provide service users and other stakeholders with comprehensive advice and information about the Private Sector Housing Improvement Service and how it can improve housing conditions by tackling fuel poverty and disrepair, raising and enforcing housing standards, eliminating hazards and housing-related nuisance, and bringing empty homes back into use.
14. Provide the Acquisitions Team with the necessary technical advice, training and support to ensure that all private rented accommodation let to homeless households under the Council's lettings schemes are in a safe and habitable condition.
15. Work collaboratively with registered social landlords, private landlords, rental agents, the Private Sector Lettings Team and the Temporary Accommodation Team to learn from tenants' complaints about the standard of the homes they let and/or manage.
16. Provide Management with advice on a wide range of matters (including legislative requirements, case law and good practice) and work in a manner that encourages joint working, problem solving and information sharing.
17. Ensure that an accurate record is kept of all inspections, telephone calls, interviews and follow-up action taken by the Team, and that regular checks are made to ensure the integrity of data in order to assist monitoring, decision-making and case management.
18. Ensure the accurate collection and analysis of data and information relating to the work of the Team in order to assist performance monitoring, forecast future need for the service and implement agreed service improvements.
19. Maintain professional competence and keep abreast of developments in respect of private

sector housing standards and the relevant legislation through research and reading, attendance of courses and briefings, and the use of established networks.

20. Work in a safe manner and contribute positively to the creation of a safe and healthy working environment, strictly in accordance with the council's policies and procedures.
21. Create and maintain accurate records (using manual and computer systems) on all aspects of the service to ensure compliance with agreed reporting arrangements and provide management with the information it requires to monitor performance and service standards in accordance with Council policy and current legislation.
22. Ensure that Management is provided with early alerts in the event of poor or failing performance, or a suspicion of fraud, corruption or impropriety.
23. Perform any other duties (appropriate to the grading of the post) that are required by the Senior Environmental Health / Housing Officer in order to ensure the delivery of a high quality, caring and responsive Private Sector Housing Improvement Service.
